# The heart of Wolverine Brass Faucets

## Ceramic Disc Cartridges

### *3 Cartridges for all Faucets*

#### **TWO HANDLE SHORT #53571**

Fits: all two handle kitchen, 4" lavatory, bar, laundry, tub/shower and commercial wall mount faucets

- True washerless cartridge incorporating two polished ceramic discs
- So durable, unlike rubber seals, sand and grit cannot harm them
- Cartridge body is constructed of fiberglass filled Norel which is indestructible and corrosion free
- Precise water flow is achieved with only quarter-turn from full on to full off

#### **TWO HANDLE LONG #53572**

Fits: all widespread, mini-widespread, roman tub and three handle tub/shower fixtures

- True washerless cartridge incorporating two polished ceramic discs
- So durable, unlike rubber seals, sand and grit cannot harm them
- Cartridge body is constructed of fiberglass filled Norel which is indestructible and corrosion free
- Precise water flow is achieved with only quarter-turn from full on to full off

#### **ALL SINGLE LEVER #85107**

Fits: all single handle kitchen, lavatory and tub/shower fixtures

- Integrated hot limit adjustment stop
- Smooth turning, single handle cartridge
- Incorporates polished ceramic discs
- Easy one way installation
- Two alignment posts makes it impossible to install incorrectly

*We're so confident that we have the best ceramic disc cartridges in the industry that we offer every faucet with a full 100 year drip-free cartridge warranty*

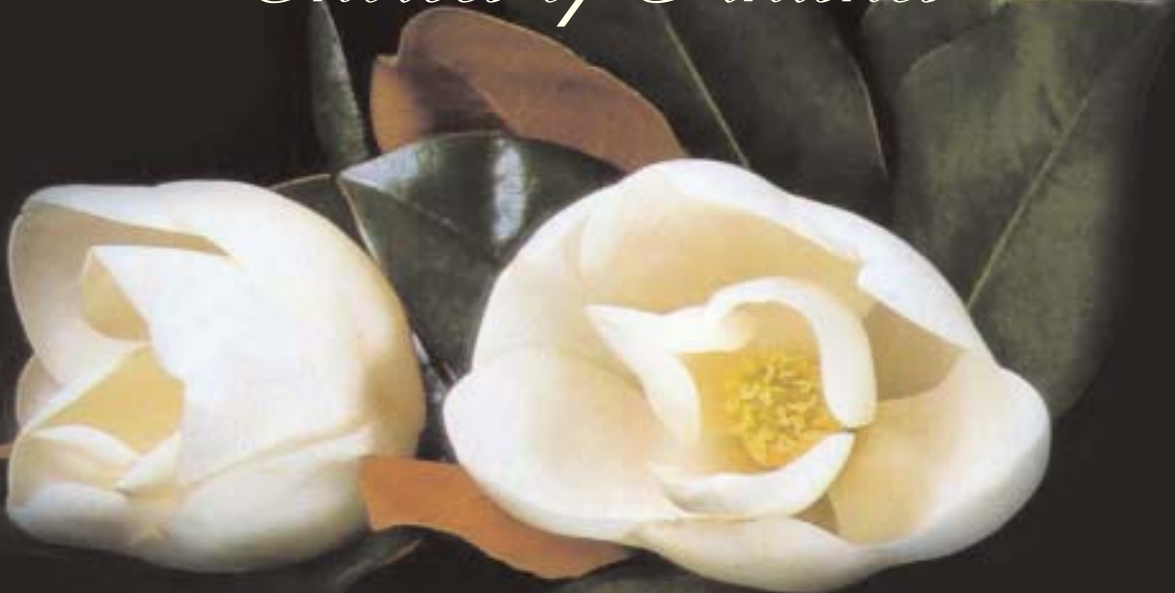

# *Morning, Noon & Night*

- ~ Wolverine's faucets will perform and hold up to the stress of constant use and even frequent misuse. ~
- ~ From simple beauty to contemporary and traditional design, we offer detailed craftsmanship inside and out to match your lifestyle and decor. ~
- ~ Designed for a lifetime of durability, Wolverine's faucets incorporate ceramic disc technology with easy-to-operate handles, making them the perfect choice for anyone with special needs. ~
- ~ For those seeking a stylish, polished brass finish that will not tarnish, corrode or discolor, Wolverine offers Centennial Collection & Endurance line of faucets with a Physical Vapor Deposition (PVD) finish. ~

*Elegant Form*

*Expected Durability*

*Choices of Finishes*

*Available through the Plumbing Professional*
